About Voorhees College

Voorhees College is a Christian minority institution under CSI, Vellore Diocese. In the year 1898, with a vision to uplift the socio-economic condition of the people in and around Vellore district through education, the missionaries of American Arcot Mission with a benevolent contribution from Rahlp Rodman Voorhees, started this college. The college emphasizes on imparting quality education through Christian values, reflecting the motto "In Vain Without GOD". Voorhees college is affiliated to Thiruvalluvar university. Started as an Intermediate college, this institution now offers undergraduate, postgraduate and research programmes

About the Department

The Department of Mathematics is one among the oldest and well established department of the college. It offers graduate, post graduate courses, M.Phil, Ph.D programme in Mathematics. The department has well experienced faculty members. The specific research areas engaged in the department are Graph Theory, Functional Analysis, Complex Analysis, Topology, Stochastic Models and Fuzzy Logic.

About the Seminar

The aim of the Seminar is to provide an exposure to students, researchers and faculties to the latest inventive scenario in modern mathematics. This Seminar mainly focuses on the latest researches carried out in the fields of Graph Theory, Nano Technology and Fuzzy Soft Sets and to understand the real world applications. This seminar hopes to inculcate the young minds towards research.
