A Tribute...

Mr. Ralph Voorhees Mrs. Elizabeth Voorhees

The amalgamation of the old Arcot Academy at Ranipet and the Church of Scotland Mission High School into the Arcot Mission High School in 1893 sowed the seed for the germination of the Arcot Mission College.

In 1905 Mr. Ralph Voorhees, a friend of the College in the US offered a generous gift of \$25,000 and a further contribution of \$10,000 in 1915 enabled the then missionary - staff to construct suitable buildings for the college. The name of the institution was changed after the donor's wife and was called 'Elizabeth Rodman Voorhees College.' Later it came to be known as VOORHEES COLLEGE.

The Lord's Prayer

Our father, who art in heaven, hallowed

done in earth as it is in heaven. Give us this
day our daily bread. And forgive us our
trespasses, as we forgive them that trespass

(Jesus Christ)

"Hatred ever kills, Love never dies. Such
in the vast difference between the two. What
is obtained by love is retained for all time.
What is obtained by hatred proves a burden
in reality, for it increases hatred. The duty of
a human being is to diminish hatred and to
promote love." - Mohandas K. Gandhi

COLLEGE CREED

This is our College,
Let peace dwell here,
Let the rain be full of contentment

Let love abide here
Love of one another,
Love of mankind,
Love of life itself,
And love of God.

Let us remember
That as many hands build a house,
So many hearts make a College.

COLLEGE MOTTO

IN VAIN WITHOUT GOD

COLLEGE ANTHEM

O Voorhees College ever dear
To every heart who studies here,
In fellowship we stand and raise
This simple song of living praise.

In service, love and loyalty
Our mother India is free,
In God united we prevail;
The needs are great; we must not fail.

Let conflict here among us cease,
May brotherhood and love increase!
As sons and daughters we will strive
To keep this song, our prayer, alive.

O Voorhees College ever dear
May everyone who studies here,
In service pledge his heart and hand
To prosper thee and dear homeland.

From the Desk of the Bishop and Chairman

Covid-19 pandemic deprived us of the good things we live for like graduation, vacation and celebrations for the student-teacher community and weddings, rituals, mass gatherings and community worship for all. The overwhelming losses has had a terrible effect on our mental health and well-being. Closed schools and colleges; uncertainty over exams; mass promotion to the next grade, sans exams; restructuring of teaching and assessment methodologies; access to e-learning and increased unemployment. The year 2020 exited even without a normal entry.

The Pandemic has broken our perception of what is traditionally normal, particularly in education. It even back-tracked the life and activity in education. As an administrator, I see the need for educationists to do a rethinking on the fundamentals of education to accommodate life skills in the main curriculum. The information-focused and knowledge-driven education needs to teach the post-corona learners empathy, adaptability, creativity and above all emotional intelligence.

The day has come for the integrated and experiential learning to synthesise with the apt use of technology. Medical technology has emerged as a life saver now. The

Pandemic has set alarm bells ringing for education to embrace changes that have been long pending. The new norm education calls for us to be sensitive to global issues that endanger health, society and life on earth.

As the Pandemic reaches the ballpark mark of a million deaths, it is time that we should not become blasé about. There is a lot of talk about a second wave too. I do see the wave becoming a ripple now, as I trust that our Lord has already attenuated the virus.

I beseech the Voorhees community to rely upon God the Creator, as the power to defeat difficulties, comes from our Saviour Lord Jesus Christ.

'Have I not commanded thee?

Be strong and of a good courage;

be not afraid, neither be thou dismayed:

for the Lord thy God is with thee whithersoever thou goest.' ... Joshua 1:9.KJV.

Let us, as Voorhees community guide our nation in its effort to becoming a pandemic-ready and disaster-resilient community.

God be with you,

- **Rt.Rev. H. Sharma Nithiyanandham,**

CSI Bishop in Vellore,

Chairman & Secretary,

Voorhees College

PRINCIPAL'S MESSAGE

Issues and Apprehensions

It is a God-given opportunity for me to connect with my colleagues and students of Voorhees College during pandemic academic year 2020 - 2021. Praise be to God.

True education is supposed to teach the stakeholders to think intensively and to think critically. Intelligence plus character is the goal of true education. Many of the proposals of NEP 2020 were found in the previous policy documents but the successive governments failed to implement them, educationists point out. Education is primarily for life and learning helps the learner to acquire knowledge and the required skills to earn his livelihood. Education should ultimately lead to change, a change of behavior in the learner. Knowledge without character may be dangerous. Many stakeholders including the educationists and parents point out the NEP 2020 does not give emphasis on building people with human values. Only men and women of character can transform and build a society where there's peace, freedom, and harmony. Knowledge and a set of values are

the two rails on which the society can move forward and both intelligence and character are equally important. It is unfortunate that the conduct certificate issued by the educational institutions is less important than the grade sheets. Courses in human values are given if not more emphasis, but equal weightage in the preparation and assessment of academic curriculum planning. The NEP 2020 promises to ensure a level playing field for public and private players. One of the reasons being the central and state governments are hard-pressed for the huge resources required for education. If the institutions are in the hands of the commercially-minded individuals and business houses, higher education would become fully a profit focused business venture which would be beyond the reach of the underprivileged. Individuals of integrity and sound character can only make higher education affordable to all especially the economically and socially underprivileged. Education is not only a powerful tool for change but also is an instrument of integration and unity. India is a diverse country. People of different faiths, social, economic, and cultural identities live in their

country. Education can influence the citizens to be inclusive and accommodative ... as to live in harmony without losing one's individual identity. Though NEP 2020 advocates equitable and inclusive education, there is no mention of a common curriculum with a focus on value education. Mother tongue education and vocational education may perpetuate linguistic fanaticism and hereditary occupations. Education should ultimately establish a society where there are equality, harmony, and peace for which academic goals need to be supported by a holistic approach. Only then education may lead to achieving the goal of producing individuals who are intellectually excellent, socially conscious, mentally strong, and spiritually motivated.

I am glad to tell you that we give top priority to provide measures to ensure a safe and healthy environment for the students and staff to reduce the impact of Covid-19.

Let us remain as partners to bid Adieu to this Pandemic period and move further to welcome a new peaceful academic year.

- Dr. A. Nelson Vimalanathan,
Principal-i/c
