

Academic Year 2016-17

4.4.2 Procedures and Policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc, with the head of the institution seal and signature.

- The maintenance of physical facilities are channelized through the financial support of the college management.
- The management, IQAC and Heads of the various Departments jointly discuss and identify the augmentation of infrastructure facilities, preparation of budget and committees for various curricular, co-curricular and extracurricular activities. The management finally approves and provides matching financial support according to the requirements.
- Sports facilities are maintained by a marker.
- One full-time electrician is available inside the campus to attend to all electrical-related issues including maintenance of CCTV cameras.
- Departmental requirements are placed in writing by the concerned Heads to the Bursar and approval is given in consultation with the management.
- Restrooms for Men and Women are maintained by adequate sub-staff appointed for this purpose. RO plant was installed for the purpose to provide purified water to the students.
