

Academic year 2016-17

Institutional Distinctiveness

1. The Green ambience of the college campus and De Boer Hostel campus is largely due to tree plantation is the major concern of the college to maintain the serenity and beauty of the college and also to provide a congenial atmosphere. Greed audit of the campus is carried out by the staff periodically by supervising the maintenance of the trees. Personal experience of sourcing seeds, watering plant, preparing organic manure, removing weeds are carried out by the Eco-Club members and their students.
2. The Remarkable mission of the Eco-Club is to create an Eco-friendly atmosphere. Giving training in nature conservation and Eco-development, giving awareness about de-forestation, global warming, preparing vermicompost pits, planting sapling, visiting the natural Eco-system like water bodies and forest in the nearby areas are par closed every year. Conducting and organizing competitions and rallied to evince the environmental protection are the major activity of the Eco-club and NSS Units in our college.
