

Academic year 2019-20

Institutional Distinctiveness

Digitalization a boon to Higher Education:

To enhance and copeup with advancement in the digital era. The College initiated to digitize the admission process with HIGRADE, Boscosoft Tech.

To increase the efficiency of the admission as well as to provide flexibility and convenience to the applicants, the College successfully implemented Online Admission. The Management integrated the online admission registration using Third Party Gateway (ATOM Technologies) provided BPO support by attending students' queries, paved way for Online Payment. The College Website is created, Admissions, Prospectus, Fee Collections and Events are frequently uploaded.

ID Cards are provided to the students and staff of the College. G-Suite account is created through ERNET (edu.in) registration which enabled webinar facilities since March 2020.

Facilities such as SMS Communication, Auto Email sent to students during Admission. Alumni Registration Link is hosted in the Website though Google Form. Illustrious Alumni photos are displayed as they are pride of the college.

Hence the great challenge of manual records of payment and paper-based work is eliminated through the process of Online Admission.
